Libby: A timeline

Perfect for new users

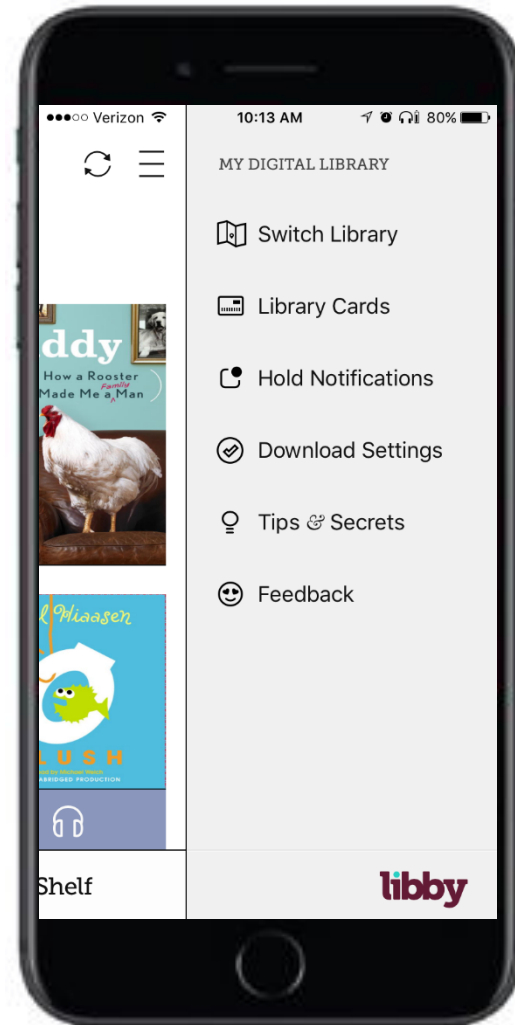

- Easier than ever to get started.
- You just need a library card.
 - No Adobe ID or registration needed.
- Integrated with **OverDrive Read and OverDrive Listen**.
 - Highlight and annotate titles.
 - Fixed-layout and Read-along eBooks are supported in the app.
 - No confusion around format choices.
- All loans and holds are on your **Shelf**.
- Consistent experience across platforms.

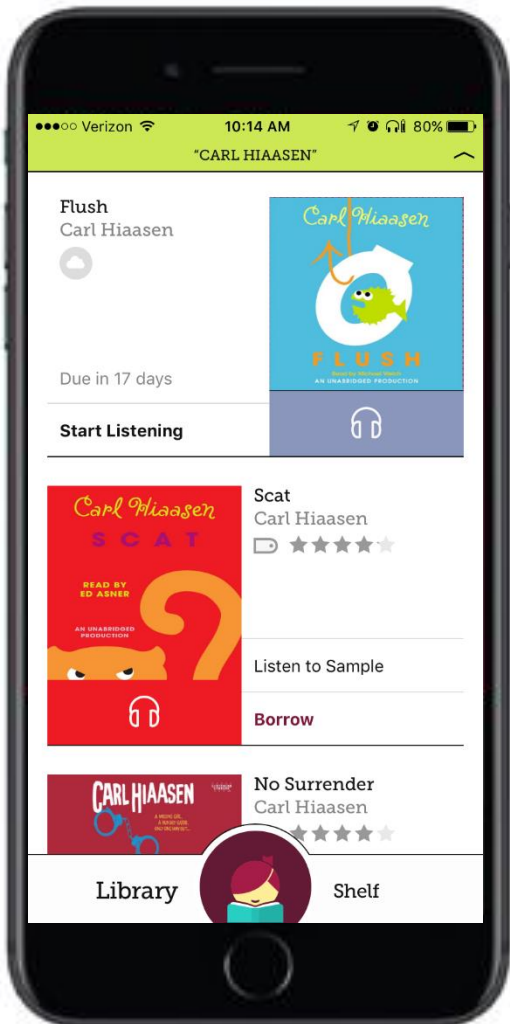

Libby does even more

- Set **Preferences** for browsing your digital library.
- Manage **Download Settings** for titles.
 - By default, all titles are downloaded for offline use on wi-fi.
 - You can also choose to:
 - Manually download larger titles.
 - Download titles over cellular.
 - Make Kindle your preferred way to read.
- Access multiple libraries
 - Save multiple library cards.
 - Shelf syncs across libraries.

Libby does even more, cont.

- **Tags**
 - Tag titles you love, hate, or want to read.
 - Tag titles into custom lists, too.
 - Track them all from your Shelf.
- **Activity**
 - Alerts when titles are returned.
 - **Your timeline** shows all title borrowed, returned, and placed on hold.
- **Also available as...**
 - Easily link to the other format.
- **Reversed jackets**
 - Cover images flip to the right in search results when you borrow or place a hold.
